JALA could go to \$1.47 a share for a MASSIVE PROFIT on your investment

Visit the company web site at: www.JalaBars.com

Dear Fellow Investors,

What if I told you that you could have invested in Skinny Cow ice cream before Nestle bought them out? We missed that opportunity, but here it is again.

The geniuses behind The Skinny Cow ice cream brand have just launched their latest brand.

The Best Part is ... the company just went public and our readers are the first to hear about it. Getting in early on any investment is the key to success.

Did you know that Skinny Cow currently does over 400 Million in annual sales!

Did you know Greek yogurt sales make up 35% of the total U.S. yogurt market, up from just 4% in 2008, according to research firm Bernstein Research.

A \$10, 000 investment today in JALA could be worth potentially \$40, 000 to \$75, 000 dollars in the near future.

That is why ...

**We strongly recommend
Stock Symbol:**

JALA Trailer

The same two founders that took Silhouette Brands, Inc. (Stock Symbol: SIHB) public have just taken their new baby public. THEIR VERY NEXT ONE IS JALA.

If this stock acts anything close to the way Skinny Cow did when they took it public ... we are in for a great ride.

Read what others have said about the company these founders started before:

ABOUT JALA

Whoever said that just because something tastes great, it can't be good for you too, has obviously never tasted Jala Bars. All Natural Jala Frozen Yogurt Bars are the latest product from Marc Wexler and Sam Pugliese - the creators of Skinny Cow Ice Cream Bars. Each delicious Jala bar is just 110 calories and all 3 yogurt bars are rich in antioxidants and probiotics - which may promote healthy digestion and boost the immune system. They are also a good source of the calcium your body needs. Jala Chocolate Fudge Bars are one of the first ice cream products in the world to feature the potential health benefits of probiotics.

Packed with vitamins, antioxidants and probiotics. Jala Bars provide you with beneficial antioxidants and bacteria flora. Each bar contains approximately 10% of the Recommended Daily Allowance for calcium and about one third of the

Recommended Daily Allowances of Vitamins A, C and E.

JALA plans on expanding out west to thousands of locations. You now have the opportunity to invest in the company before the expansion. JALA is already a hit here, just imagine how the health conscious California crowd would embrace the healthy frozen treat with a cow doing yoga for their logo.

REASONS TO BUY THIS STOCK

- 1 JALA has management with a proven track record. They built up Skinny Cow and sold it to Nestle.**
- 2 JALA is only currently on the east coast in select stores. With a west coast full expansion just imagine how high the stock could go.**
- 3 With JALA trading at these undervalued prices just imagine the profits you can maximize if you act fast!**
- 4 JALA is currently way below its target price of \$1.47, with a the stock price so low currently just imagine the potential upside.**

FINAL WORD

We urge you to go to your computer and pull up a quote of JALA right now. This stock is going to move fast so timing is of the utmost importance when it comes to trading this stock. A \$10, 000 investment today could possibly turn into \$40, 000 to \$75, 000. Now those are serious profits to start off the new year! Remember, these are the same founders of Skinny Cow - Don't miss this one!
