SNPK is an up and coming Healthcare Distribution Specialist who focuses on specialty drug needs and OTC branded multivitamins.

We love a company in the pharmaceutical industry because we know one thing;

The drug industry isn't going anywhere!

SNPK is in a position to compete in two huge markets, secondary distribution of prescription drugs (healthcare distribution) and OTC branded multivitamins:

- ✓ Healthcare distribution accounts for a **\$300 billion market!**
- ✓ **SNPK** specialized vitamin Clotamin is competing in a **\$11.2 billion market!**
- ✓ **SNPK** has already gained distribution through Dakota Drug and a number of discount drug markets in the Midwest, which could put their products on the shelves of **thousands of independent pharmacies!**
- ✓ **SNPK** is in the final stages of bringing in a former **NBA star as a national spokesperson** for Clotamin

SNPK is in a great position to gain share and traction in these HUGE markets, making them a bargain at their

current price. Investors who get in today could ride SNPK to a historic run!
